Renting a car allows you to enjoy freely visiting sightseeing spots!

Only a rent-a-car allows you the freedom to visit the spots you most want to see. You'll discover so many things you would never see on a guided tour! Use a rent-a-car and create great memories!

You can use the mapcodes to easily set your destination!
You can easily set your destination by using a mapcode-compatible navigation unit and simply inputting the digits of the mapcode to set your destination.
